*Courses available in English

TUITION FOR THE FIRST YEAR:

courses in Polish 600 EUR
courses in English 1000 EUR

There are **six** dormitories offering cosy and comfortable rooms for students. The dormitories for international students has 2-bed rooms. The future occupants do not have to bring any bedding. There is a sanitary facility and a kitchen on the floor, so you have to share these rooms with other students. If you want to cook by yourself, you have to bring pots and cutlery. We care about our students, support them and make them feel comfortable at any time.

Price: about 100 EUR/month/person

Get in touch and find out how you can be part of the KUT international family.

ABOUT US

- Study programmes meet the standards of FEANI – a federation of professional engineers
- Modern teaching and training infrastructures (very well-equipped **70 laboratories, 2 accredited laboratories and 300 experts operating within the University, unique Laser Processing Research Centre**, a digital library, a sports centre, etc.)
- Small teaching groups
- A compact campus located in the city centre, student halls of residence **2 minutes** away from faculty buildings, a low cost of living about 250 EURO/month/person
- **International students** mainly come from: Japan, Ukraine, Belarus, Turkey, Italy, Spain, Portugal, Lebanon, India, Bangladesh, Tanzania, Nigeria
- KUT is proud to cooperate with numerous foreign universities in the field of scientific research as well as students exchange programmes. Each year several dozen of our students study abroad within the programmes **Erasmus+, DAAD or CEEPUS**.
- The world-class level of research conducted by university staff and the well-equipped laboratories result in cooperation with many domestic and national companies
- Numerous Scientific Students Clubs, among them successful "Impuls" attracting enthusiasts of mechanical engineering and receiving top awards in the University Rover Challenge
